

**From  
\$5.16 a week**

Health Positive Plan

# Health Insurance you can use before Friday night

**If you're fit and healthy, chances are your budget is tuned for entertainment, travel or a house deposit rather than for seeing a doctor, dentist or physio. Regular health expenses can mount up, plus it's easy to put off looking after yourself when there are more exciting things to spend your money on.**

UniMed's Health Positive Plan reimburses you for day-to-day health expenses - such as GP, prescriptions, dental, prescription glasses, even massage and chiropractor treatments: - from just \$5.16 a week.

- Reduce the impact of health expenses on your pay packet with speedy reimbursement of either 50% or 80% of day-to-day health expenses.\*
- Get over \$10,000 of cover per year for just \$5.16 a week.
- If you're active, you can still claim: physio, osteo, massage and chiropractor expenses.
- Spread out the cost of healthcare throughout the year with affordable regular payments.

\*Up to benefit limits.

**Now feeling good  
has never been  
more affordable.**

Premiums increase in 5 year age bands with no upper age limit

\*Reimbursements are 50% or 80% of actual costs up to the benefits payable below, subject to UniMed's usual and customary charges. Reimbursement level is as per your chosen plan (50% or 80%)

### Upgrades

- Cover for pre-existing conditions is included and we don't require you to provide details of your medical history.
- If you choose to upgrade to a UniMed surgical plan you will need to complete a full medical declaration relating to medical conditions and your medical history at the time of upgrade.
- If you choose to upgrade from the 50% plan to the 80% plan, the stand down periods will start again and, the higher level of cover will apply at the end of the stand down periods. During the new stand down periods you will remain covered at the 50% level.

Once you've completed your application form, please send it to

I don't go to doctors and dentists because they are too expensive - \$45 for 5 minutes at the GP, and that doesn't include a prescription! But I am definitely willing to give up a cup of coffee a week to know that I'll be looked after if I need it."
